Asbestos Safety and Eradication Agency

18-20 NOVEMBER 2018

Dear Valued Partner

The Asbestos Safety and Eradication Agency's annual conference is the premier industry event for anyone involved in the asbestos sector, bringing together professionals from a range of industries including work health and safety, public health and the environment.

We are excited to announce that *Asbestos: The Next National Plan* - proactivity, prevention, planning, will be held in Sydney this year from 18 to 20 November, 2018 with the conference and tradeshow taking place at Sheraton on the Park, Sydney and the social functions taking place across The Loft, Doltone House Jones Bay Wharf and Doltone House Darling Island.

As a supporter of the agency's 2018 conference, you will have the rare opportunity to spotlight your company's role in the asbestos sector to an expected 300+ industry professionals. Newly designed sponsorship packages ensure that as a conference sponsor, you will receive multiple benefits and opportunities to build brand awareness and connect with industry leaders pre-event, during the event itself and post-event.

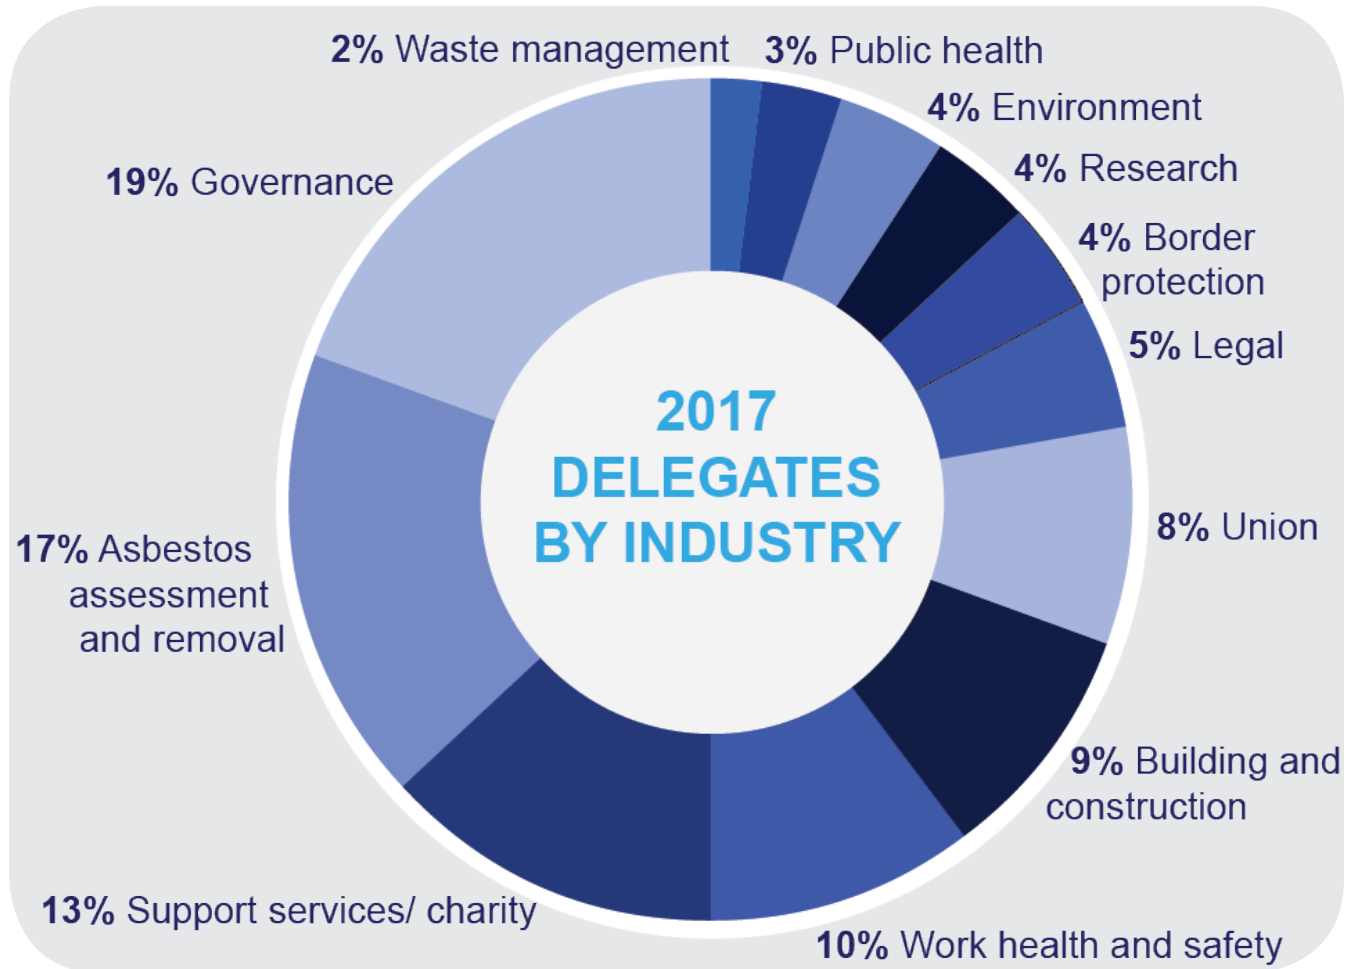

This is a significant event for the Asbestos Safety and Eradication Agency, as we discuss Australia's next five-year *National Strategic Plan for Asbestos Management and Awareness*. We hope that you can join us this year and we look forward to working with you!

Sincerely,
The Asbestos Safety and Eradication Agency
