

ASBESTOS 2019 CONFERENCE SAFETY

Australian Government

Asbestos Safety and Eradication Agency

11-13 NOV PERTH, WA

Partnership Opportunities

Dear Valued Partner

The Asbestos Safety and Eradication Agency's annual conference is the premier industry event for everyone involved in the asbestos sector, bringing together professionals from a range of industries including work health and safety, public health and the environment.

We are excited to announce that the 2019 Asbestos Safety Conference will be held in Perth from 11-13 November, with the conference, tradeshow and summer garden social event taking place at Perth Convention and Exhibition Centre.

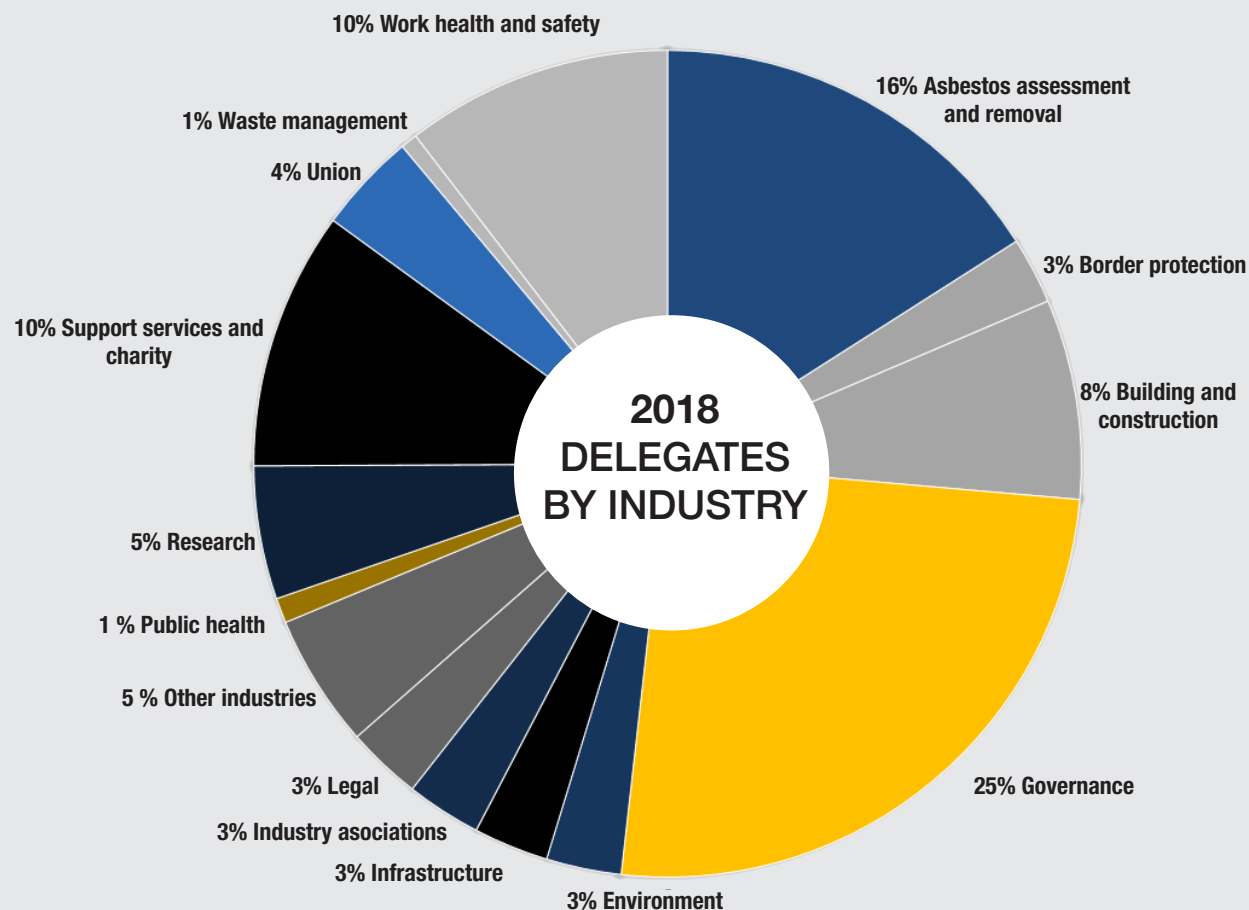

As a supporter of the agency's 2019 conference, you have the unique opportunity to highlight your organisation's role in the asbestos management system to an expected 300+ industry professionals. Our tailored partnership packages ensure that as an event partner, you will receive multiple benefits and opportunities to build brand awareness and connect with industry leaders pre-event, during the event itself and post event.

This is a significant event for the Asbestos Safety and Eradication Agency, as we discuss Australia's National Strategic Plan for Asbestos Awareness and Management and the important roles and responsibilities all members of the asbestos management system have in working together toward preventing exposure to asbestos fibres and eliminating asbestos-related diseases. We hope that you can join us this year and we look forward to working with you.

Key Benefits

- Strengthen your profile in the industry
- Access to a **targeted audience**
- **Showcase your practice**, products and services
- Frequent **exposure** across all conference marketing activities
- **Direct marketing and networking** opportunities – meet conference speakers, key industry leaders and professionals
- Written and verbal **acknowledgement and branding opportunities** pre-event and throughout
